2023 INNOVATION NATION CONFERENCE & STUDENT INNOVATION SHOWCASE

SUNDAY, NOVEMBER 5TH, 2023
LIUNA STATION, HAMILTON, ON

Innovation strengthens our economy, creates jobs and enhances Canada's reputation as a world leader in advanced technology.

At Innovation Nation you'll hear talks from nationally and internationally acclaimed innovators whose inspirational ideas and innovations are creating social, economic and medical progress at home and abroad.

Conference participants will have the opportunity to network with researchers, business and industry experts and innovators who are presently redefining our world.

STUDENT SHOWCASE:

Innovation Nation would like to invite university, college and high schools to showcase their most innovative class science projects or science fair entries.

This year there will be exhibition space provided for diverse scientific initiatives. Don't miss the opportunity to showcase your innovative ideas to leaders of science, industry and academia!
